

Sports Premium Report

Impact in 2016/2017 & planned spend for 2017/18

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

Sports Premium Background

Known as the sports premium, the government agreed to provide funding of £450 million over 3 academic years, starting in 2013/14. It has been given directly to Headteachers to spend on improving the quality of PE and school sport provision. Ofsted will increase monitoring of PE as a result of this increased funding. Representatives from Sport England, the Association for Physical Education and the Sport and Recreational Alliance suggested to the government that the best way of using the funding is by schools employing a specialist PE teacher.

Tidemill's Vision

At Tidemill Academy, PE and school sport is seen as a key factor in providing an inclusive and exciting education. Having high quality PE lessons throughout the school, we aim to provide the opportunity for pupils to develop and become confident, competent and enthusiastic individuals, who have the skills to participate and be sports leaders in extra-curricular activities. The school sports premium will be used to further enhance the PE and sports provision at Tidemill.

This report details what we have spent the school sports premium on in the academic year of 2016/17 and the impact it has had on provision, opportunity and performance. It also details what our plans are for the upcoming year. Our total funding for 2016/17 was £9805. For the 2017/18 academic year the Government has increased the amount schools get for the school sports premium resulting in Tidemill receiving £1146 in funding.

Impact and Expenditure 2016/2017

We are very proud that Tidemill Academy has been awarded **gold level** for the **School Games Mark** for the third year in a row. Tidemill provided clear evidence at 'gold' level in all areas assessed. Areas include prerequisites, participation, competition, workforce and clubs.

Promotion of the school games is strong at the school. Twitter and our school newsletter are used to promote the school and school games to parents and the local community. Students blog on the school games website and these are featured on our noticeboard. Termly reports of our sporting accomplishments are also reported in the newsletter and to our school governors in half termly reports.

The school competed in 20 different school games sport competitions at level 1 and level 2 with nine 'B' teams and one 'C' team competing at level 2. The school has sixteen sports leaders consisting of 4 students per year group in KS2. These sports leaders make up the school's sport organising committee and represent the student voice. The sports leaders attend meetings with the PE leader and sports coach, developing school sport via feedback from all students. Once a month these sports leaders participate in sessions that aim to improve their leadership skills and further develop their sporting ability. Additionally,

year 5 participated in a sports leaders program for a PE unit. This aimed to train them to be sporting role models in the school, both in class and in the playground.

The school utilises schools games values in lessons and competitions. At intra tournaments held every half term in year groups, students will be presented sporting spirit awards if they display positive sportsmanship. Additionally, students are presented with certificates and celebration assemblies are held at the end of the year with the 'sportsman of the year' award nominated for demonstrating the school games values throughout the year.

Lastly, the school provides gifted and talented students with adapted lessons and invited them to trials and specific clubs to develop their potential.

1) Increasing pupil participation in competitive sport

Activity/Item	Cost	Impact
Association of Lewisham Primary School Sport (ALPS) membership	£876	<ul style="list-style-type: none"> • Achieved Sainsbury's Sports Mark – gold level for academic year 2016/2017. • 45% of Year 3 – 6 pupils attended an out of school tournament or festival. • Gifted and talented children highlighted and trained in extra-curricular clubs for these events. • Twenty level 2 events attended over the year and twelve medals won: <ul style="list-style-type: none"> - Two gold medals in Football and Tri- Golf. - Six silver medals in Netball, Sports Hall Athletics, Basketball, Gymnastics, Quad Kids Athletics, Football, Lewisham Primary League Cup. - Four bronze medals in Hockey, Netball and 2 x Gymnastics. • Success in borough competitions, led to progression to London Youth Games (level 3 competitions) for two teams: 5 & 6 Football, 5 & 6 Tri-Golf. • Profile of competitive sport increased and promoted in assemblies, on Twitter, in newsletters and the local press.

Gymnastics Leggings	£35	<ul style="list-style-type: none"> New leggings purchased for Gymnastics team. Professionally uniformed for competitive sport.

3) Hire specialist PE coaches and PE teachers and introduce new sports or activities and encourage more pupils to take up sport

Activity/Item	Cost	Impact
PE teacher/leader and full time PE coach	Wage from school budget	<ul style="list-style-type: none"> Delivered high quality full time PE curriculum. Improved quality of lessons and assessment. Training delivered to teaching assistants who support in all PE lessons. Delivered interventions for gross motor skills. Organisation of all inter and intra competitions to ensure increased opportunities for all pupils to participate in sport. Monitored participation in after school sports clubs and set up clubs to increase participation in particular year groups/sports with gaps. Female and male role model in sport. PE teacher led professional development for eight NQT students on effective practice in PE lessons and assessment. PE audit carried out to assess the provision in PE and identify next steps to be undertaken to improve the subject further.
Enrichment leader	Wage from school budget	<ul style="list-style-type: none"> Tidemill's enrichment leader helped to promote pupils' healthy lifestyles and physical well-being through providing an extensive range of after school clubs for all pupils and ensuring school dinners are nutritional and healthy. Playground break and lunchtime activities in line with the school games competition calendar. Leads Change 4 Life club which aims to engage less active children and develop their love of sport.
After School Clubs Football Clubs Change 4 Life This Girl Can Netball Yoga Kids Fitness Ballet Martial Arts	£1643	<ul style="list-style-type: none"> Variety of after school clubs now includes ballet, fitness and martial arts. Trained professionals leading the clubs with teaching assistants who gained further skills and knowledge through working with them. More opportunities for children to develop a variety of skills. Increased profile of alternative ways to keep fit with Change 4 Life and This Girl Can. Children represented the sport in out of school competitions.
After School Clubs Inter competition teams	£ 4358	<ul style="list-style-type: none"> Training for teams who represented Tidemill Academy at the Lewisham competitions. Training by PE teacher and sports coach. Regular training improved student's skills and understanding of sport. Ensured teams were prepared for competitions. Two teams were successful at the competitions and represented Lewisham at London Youth Games.
Swimming lessons	£1098	<ul style="list-style-type: none"> Continued with increased swimming lessons for year 4 over the year, they attend lessons once a week for the whole year. Continued with additional swimming block for Year 3 for the whole of summer term.

		<ul style="list-style-type: none"> Lessons in lower KS2 ensure that the vast majority of children in year 6 are competent swimmers and are able to use a variety of strokes when swimming laps in water.
Dance Team Costumes	£93.67	<ul style="list-style-type: none"> Dance team introduced to clubs led by PE Teacher. Team selected as one of five schools in Lewisham to perform. Dance then selected for the London Youth Games performance stage.
Healthy Schools Week Workshops	£180	<ul style="list-style-type: none"> Provide students with opportunity to try new and interesting sports. Show students different ways of keeping fit and healthy. Provide a fun and meaningful learning opportunity to different year groups.
Gymnastics Lessons	£300	<ul style="list-style-type: none"> Qualified gymnastics coach ran weekly lunch time sessions for our competition team. Sessions run leading up to the borough competition.

4) Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs.

At Tidemill Academy, we run a wide array of clubs for children after school and at lunchtime. This year we engaged a high proportion of our children in after-school clubs.

Statistics

EYFS and KS1 – 35% of children took part in at least one sports based club.

KS2 – 68% of children took part in at least one sports club.

Overall – 56% of all our children took part in at least one sports club.

We ran Change4Life (C4L) club for the Spring and Summer terms – targeting children who had never been to a sports club at Tidemill before.

This Girl Can ran for the Spring and Summer term, which involved 14 girls who are normally disengaged in PE and physical activity.

5) Other

Basketball Finals at The O2	£104.17	<ul style="list-style-type: none"> PE teacher applied for tickets to basketball. Gave out 50 tickets to children who had participated in basketball. They went to the event with their family.
Women's FA Final	£117.95	<ul style="list-style-type: none"> Tickets purchased for the new Girls Football team to provide them with the experience of a professional match and see inspirational women in sport.
Sports leaders badges and t-shirts	£92.45	<ul style="list-style-type: none"> Recruited 6 new sports leaders through a written application process. Children were presented with badges and t-shirts in assembly. Children very involved in Healthy Schools Week. Meetings held regularly where children shared feedback from their classes, gave ideas and allocated roles and responsibilities around the school.

2017/2018

In this academic year, we are planning to continue with the successful areas from the previous year and develop certain aspects even further. Therefore the sports premium fund will be spent on the following areas:-

- Association of Lewisham Primary School Sport (ALPS membership) – we are aiming to increase the amount of events that we attend.
- Lewisham Primary Football League registration, this year we will have three teams- 3/4 team, 5/6 boys and continue our 5/6 girls.
- Travel to sporting events.
- Provide fun and meaning experiences for children in Healthy School Week, to encourage them to lead healthy lifestyles.
- Training opportunities for PE teacher and sports coach – gymnastics and football training courses.
- Providing Tidemill teams with valuable outside experiences to improve their knowledge of the sport e.g. tickets to football, tennis and other professional sporting events.
- Continue with our extensive range of after school clubs in order to inspire and engage children in sporting activity.

Rachael Smith (PE leader)
