

Sports Premium Report

Impact in 2017/2018 & planned spend for 2018/2019

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

Sports Premium Background

Known as the sports premium, the government agreed to provide funding of £450 million over 3 academic years, starting in 2013/14. For the 2017/18 academic year the government, seeing the benefit the sports premium had over the past three year, increased the funding given to schools. Nearly £323 million was given in the one year, and will be given for the 2018/19 academic year. This funding has been given directly to Headteachers to spend on making additional and sustainable improvements on the PE, sport and physical activity offered. Ofsted will increase monitoring of PE as a result of this increased funding. Representatives from Sport England, the Association for Physical Education and the Sport and Recreational Alliance suggested to the government that the best way of using the funding is by schools employing a specialist PE teacher.

Tidemill's Vision

At Tidemill Academy, PE and school sport is seen as a key factor in providing an inclusive and exciting education. Having high quality PE lessons throughout the school, we aim to provide the opportunity for pupils to develop and become confident, competent and enthusiastic individuals, who have the skills to participate and be sports leaders in extra-curricular activities. The school sports premium will be used to further enhance the PE and sports provision at Tidemill.

This report details our spending of the school sports premium in the academic year of 2017/18 and the impact it has had on provision, opportunity and performance. It also details what our plans are for the upcoming year. Our total funding for 2017/18 was £19,570. For the 2018/19 academic year our funding is £19,650.

Impact and Expenditure 2017/2018

We are very proud that Tidemill Academy has been awarded **gold level** for the **School Games Mark** for the fourth year in a row. Tidemill provided clear evidence at 'gold' level in all areas assessed. Areas include prerequisites, participation, competition, workforce and clubs. Tidemill are eligible this year to apply for Platinum level for this years School Games Mark.

Promotion of the school games is strong at the school. Twitter and our school newsletter are used to promote the school and school games to parents and the local community. Students blog on the school games website and these are featured on our noticeboard. Termly reports of our sporting accomplishments are also reported in the newsletter and to our school governors in half termly reports.

The school competed in 23 different school games sport competitions at level 1 and level 2 with six 'B' teams and two 'C' team competing at level 2. The school has sixteen sports leaders consisting of 4 students per year group in KS2. These sports leaders make up the school's sport organising committee and

represent the student voice. The sports leaders attend meetings with the PE leader and sports coach, developing school sport via feedback from all students. These sports leaders support in intra competitions, write newsletter articles and work with PE staff to promote physical education, sporting spirit values and a love for PE in our school.

The school utilises schools games values in lessons and competitions. During individual year groups intra tournaments held every half term, students are presented with sporting spirit awards if they display positive sportsmanship. Additionally, 'Sports Person of the Year' is awarded for a male and female student in each year group who has engaged well in PE lessons and demonstrated sporting spirit values during the year in lessons, intra competitions and inter competitions.

Lastly, the school provides gifted and talented students with adapted lessons and invite them to trials and specific clubs to develop their potential.

There is £325 left unspent from this year's Sports Premium which will be used in the 2018/19 academic year.

Table of Association of Lewisham Primary School Sport (ALPS) impact

PE Impact Summary

Year 6 Swimming Competencies

Pupils at Tidemill now attend weekly swimming lessons in year 4 over a one year period (an increase on previous). In 2018/19, year 3 will have additional swimming lessons for one term. This is with the aim of supporting a greater number of pupils to reach the aims of the national curriculum. Data below is a broad estimate of year 6 competencies (from two years previous). Tidemill is working with the local swimming provider to ensure a fuller understanding of competencies required and assessments needed to ensure increasing accuracy with data.

Meeting National Curriculum requirements for swimming and water safety.	
What percentage of your current year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	30%
What percentage of your current year 6 cohort use a range of strokes effectively?	40%
What percentage of your current year 6 cohort perform safe self-rescue in different water-based situations?	93%

1) Increasing pupil participation in competitive sport

Activity/Item	Cost	Impact
Association of Lewisham Primary School Sport (ALPS) membership	£345	<ul style="list-style-type: none"> Achieved Sainsbury's Sports Mark – gold level for academic year 2017/2018. 52% of Year 3 – 6 pupils attended an out of school tournament or festival. An increase of 7% from last year. 10% of these were SEN and 26% PPG. Gifted and talented children highlighted and trained in extra-curricular clubs for these events. 23 level 2 events attended over the year and ten medals won: <ul style="list-style-type: none"> - Three gold medals in Tri- Golf, Quad Kids Athletics and Panathlon. - Three silver medals in Quad Kids, Football and Hockey. - Four bronze medals in Netball, Sports Hall Athletics, Basketball and Tag Rugby. Success in borough competitions, led to progression to London Youth Games (level 3 competitions) for three teams: year 5 & 6 Tri-Golf, year 3- 6 SEN Panathlon and year 5 & 6 Quad Kids Athletics. Profile of competitive sport increased and promoted in assemblies, on Twitter, in newsletters and the local press. This helped increase the percentage of students attending competitions.
Lewisham Primary Football League registration	£217	<ul style="list-style-type: none"> Year 5 & 6 boys– twelve children played regular competitive Saturday football led by the PE coach. The team won the league out of thirteen teams. Year 5 & 6 girls- successfully participated for the second year. Eleven girls regularly played competitive Saturday football and helped to raise the profile of girls in sport at Tidemill. Year 3 & 4 boys- twelve children regularly playing competitive football matches on Saturday. Year 5 team won the Year 5 Shield out of fourteen teams. One child selected to play in Lewisham district team.

Sports Day venue hire	£304	<ul style="list-style-type: none"> Venue hire for Sports Days. Venue used for KS2 to provide sufficient space for a fun day of competitive activities.
Sports Day Equipment	£166	<ul style="list-style-type: none"> Resources for Sports Day purchased to provide stickers, awards and medals to students for their participation and achievement on the day.
Trophies	£58	<ul style="list-style-type: none"> Trophies purchased for students to award them for various events during the year. These include table tennis, football, intra competitions and class competitions.

2) Providing existing staff with training and resources to help them teach PE

Activity/Item	Cost	Impact
Training new Yoga teacher	£600	<ul style="list-style-type: none"> Teaching Assistant trained to be the new yoga teacher. Course covered planning, preparation and safety for lessons in primary schools. KS1 taught yoga weekly for PE lessons.
Updated general equipment	£759	<ul style="list-style-type: none"> Equipment purchased to be used for PE lessons, After School Clubs and competitions. Introduction of Panathlon required specialised equipment to be purchased, including pop up target, sticky balls and polybats. Other equipment updated to ensure all equipment is safe including footballs, vests, hoops and tennis balls.

3) Hire specialist PE coaches and PE teachers and introduce new sports or activities and encourage more pupils to take up sport

Activity/Item	Cost	Impact
PE teacher/ leader and full-time PE coach	Wage from school budget	<ul style="list-style-type: none"> Delivered high quality full-time PE curriculum. Improved quality of lessons and assessment. Training delivered to teaching assistants who support in all PE lessons and lunchtime activities. Delivered targeted interventions for gross motor skills. Organisation of all inter and intra competitions to ensure increased opportunities for all pupils to participate in sport. Monitored participation in after school sports clubs and set up clubs to increase participation in particular year groups/sports with gaps. Female and male role model in sport. Sports Leaders trained to assist in lessons and with competitions.
After School Clubs Football Change 4 Life This Girl Can Dance Netball Yoga Kids Fitness Ballet	£1,543	<ul style="list-style-type: none"> Variety of after school clubs now includes capoeira and ballet for year 5 and 6. Trained professionals leading the clubs with teaching assistants who gained further skills and knowledge through working with them. More opportunities for children to develop a variety of skills. Increased profile of alternative ways to keep fit with Change 4 Life and This Girl Can Dance. This Girl Can Dance club involved disengaged girls in year 3- 6. These students were selected to perform at the London Youth Games.

Capoeira		<ul style="list-style-type: none"> Children in various clubs represented Tidemill in inter competitions and festivals.
After School Clubs/ Lunch Training Inter competition teams	£ 13,133	<ul style="list-style-type: none"> Training for teams who represented Tidemill Academy at the Lewisham competitions. Training by PE teacher and sports coach. Regular training improved student's skills and understanding of sport. Ensured teams were prepared for competitions. Three teams were successful at the competitions and represented Lewisham at London Youth Games. Year 5 & 6 Saturday football teams had a very successful year, winning the league and year 5 team winning the shield.
Dance Team Costumes	£134	<ul style="list-style-type: none"> Dance team continued this year with students being targeted who were less engaged in sport and physical activity previously. Dance team performed at the London Youth Games.

4) Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs.

At Tidemill Academy, we run a wide array of clubs for children after school and at lunchtime. This year we engaged a high proportion of our children in after school clubs.

Statistics

EYFS and KS1 – 41% of children took part in at least one sports based club.

KS2 – 61% of children took part in at least one sports club.

Overall – 51% of all our children took part in at least one sports club.

We ran Change4Life (C4L) club for the Spring and Summer terms – targeting children who had never been to a sports club at Tidemill before.

This Girl Can Dance ran for the Spring and Summer term, which involved 15 girls who are normally disengaged in PE and physical activity.

5) Other

Women's FA Final	£133	<ul style="list-style-type: none"> Tickets purchased for the Girls Football team to provide them with the experience of a professional match and see inspirational women in sport. Each member of the team was given an adult and child ticket to attend with a parent or carer.
England V Germany Match	£155	<ul style="list-style-type: none"> Students in the year 3- 6 football teams had the opportunity to attend the England v Germany friendly match at Wembley. Students able to experience the atmosphere of a professional match and see some of England's top players in action.

Nitto Association of Tennis Professionals Finals	£86	<ul style="list-style-type: none"> • Tennis team taken to watch a day session at the NTP Finals. • Students experienced watching professional tennis live and able to compare the rules in traditional tennis and NTP rules.
Healthy Schools Week- Digi Wall	£1300	<ul style="list-style-type: none"> • Digi Wall hired for the full week during Healthy Schools Week. • All classes from Nursery to year 6 had time slots to use the Digi wall and students used it during PE lessons. • Teachers modelled in fun and competitive ways at the Healthy Schools Week launch. This showed students an alternative and fun way to exercise and keep fit.
Polo Shirts Inter Competitions	£310	<ul style="list-style-type: none"> • New Tidemill sports polo shirts purchased for students to wear on inter competitions. • Provides our teams with the sense and look of a team and allows them to be more easily recognised.

2018/2019

In this academic year, we are planning to continue with the successful areas from the previous year and develop certain aspects even further. Therefore the sports premium fund will be spent on the following areas:-

- Association of Lewisham Primary School Sport (ALPS membership) – maintain gold and achieve platinum in school games mark.
- Lewisham Primary Football League registration, for our Saturday football teams.
- Travel to sporting events.
- Sports leaders and competition t-shirts, as needed.
- Provide fun and meaningful experiences for children in Healthy School Week, to encourage them to lead healthy lifestyles.
- Training opportunities for PE teacher and sports coach – EYFS PE delivery.
- Providing Tidemill teams with valuable outside experiences to improve their knowledge of the sport e.g. tickets to football, tennis and other professional sporting events.
- Continue with our extensive range of after school clubs in order to inspire and engage children in sporting activity.
- Introduce Sensory interventions with SEN children. Purchase of specialised equipment to make this beneficial.
- Purchase equipment to challenge more able students in PE units e.g. Football challenge target.
- Additional swimming lessons to increase percentage of pupils meeting swimming competencies. Achieving competencies will also require working closely with the local swimming lesson provider to ensure they understand requirements and assessments

Rachael Smith (PE leader)
