

Sports Premium Report

Impact in 2015/2016 & planned spend for 2016/17

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

Sports Premium Background

Known as the sports premium, the government agreed to provide funding of £450 million over 3 academic years, starting in 2013/14. It has been given directly to Headteachers to spend on improving the quality of PE and school sport provision. Ofsted will increase monitoring of PE as a result of this increased funding. Representatives from Sport England, the Association for Physical Education and the Sport and Recreational Alliance suggested to the government that the best way of using the funding is by schools employing a specialist PE teacher.

Tidemill's Vision

At Tidemill Academy, PE and school sport is seen as a key factor in providing an inclusive and exciting education. Having high quality PE lessons throughout the school, we aim to provide the opportunity for pupils to develop and become confident, competent and enthusiastic individuals, who have the skills to participate and be sports leaders in extra-curricular activities. The school sports premium will be used to further enhance the PE and sports provision at Tidemill.

This report details what we have spent the school sports premium on in the academic year of 2015/16 and the impact it has had on provision, opportunity and performance. It also details what our plans are for the upcoming year. Our total funding for 2015/16 was £9795 and we will receive a similar amount in 2016/17.

Impact and Expenditure 2015/2016

We are very proud that Tidemill Academy has been awarded **gold level** for the **School Games Mark** for the second year in a row. Tidemill provided clear evidence at 'gold' level in all areas assessed. Areas include prerequisites, participation, competition, workforce and clubs. Additionally, we were featured in a country wide case study to assist other schools in improving their sports programs. The case study detailed how PE is organised and run at Tidemill as an example of a Gold Mark school.

Promotion of the school games is strong at the school. Twitter is used to promote the school and school games to parents and the local community. Students blog on the school games website and these are featured on our noticeboard and in our school newsletter. Termly reports of our sporting accomplishments are also reported in the newsletter.

The school competed in 21 different school games sport competitions at level 1 and level 2 with five 'B' teams and one 'C' team competing at level 2. The school has sixteen sports leaders consisting of 4 students per year group in KS2. These sports leaders make up the schools sport organising committee and represent the student voice. The sports leaders attend meetings with the PE leader and sports coach, developing school sport via feedback from all students. Once a month these sports leaders participate in sessions that aim to improve their leadership skills and further develop their sporting ability.

The school utilises schools games values in lessons and competitions. At intra tournaments held every half term in year groups, students will be presented sporting spirit awards if they display positive sportsmanship. Additionally students are presented with certificates and celebration assemblies are held at the end of the year with the 'sports person of the year' award nominated for demonstrating the school games values throughout the year.

Lastly, the school provides gifted and talented students with adapted lessons and invited them to trials and specific clubs to develop their potential.

1) Increasing pupils participation in competitive sport

Activity/Item	Cost	Impact
Association of Lewisham Primary School Sport (ALPS) membership	£440	<ul style="list-style-type: none"> • Achieved Sainsbury's Sports Mark – gold level for academic year 2015/2016. • 42% of Year 3 – 6 pupils attended an out of school tournament or festival. • Gifted and talented children highlighted and trained in extra-curricular clubs for these events. • Twenty-one level 2 events attended over the year and twelve medals won: <ul style="list-style-type: none"> - Five gold medals in Basketball x 2, Gymnastics x 2, Quad Kids Athletics, - Five silver medals in Hockey, Tag Rugby, Netball x 2 and Sports Hall Athletics, - Two bronze medals in Tag Rugby and Golf. • Success in borough competitions, led to progression to London Youth Games (level 3 competitions) for four teams: 3/4 Gymnastics, 5/6 Gymnastics, 5/6 Basketball and 5/6 Quad Kids Athletics. • Profile of competitive sport increased and promoted in assemblies, on Twitter, in newsletters and the local press.
Lewisham Primary Football League registration	£142	<ul style="list-style-type: none"> • Year 5 – fourteen children played regular competitive Saturday football led by the PE coach. • Team was the competition runners up out of 12 teams.

Table of ALPS impact at Tidemill:

	2012/2013	2013/2014	2014/2015	2015/2016
Events attended	2	19	28	25*
Children attending an out of school festival or tournament	12.5%	39%	44% 22.5% were PPG	42% KS2 12.5% of these were PPG
Level 2 inter-competitions attended (Cluster/Borough Finals)	2	14	21	21
Medals won	0	4 Gold 3 Silver	7 Gold 4 Silver 4 Bronze	5 Gold 6 Silver 2 Bronze 13 total
Level 3 competitions qualified for (London Youth games)	0	4	5	4

Climbing wall and instructors (Healthy Schools Week)	£600	<ul style="list-style-type: none"> • Gave the opportunity for year 6 children to try a new sport in a setting outside the school. • Climbing experience gave opportunities for increased confidence and peer support. • A real life context for children to develop balance, strength and co-ordination skills.
Healthy Schools Week Zumba	£60	<ul style="list-style-type: none"> • Provide students with opportunity to try new and interesting sports. • Show students different ways of keeping fit and healthy. • Provide a fun and meaningful learning opportunity to different year groups.
Healthy Schools Week Creative Dance	£70	<ul style="list-style-type: none"> • Provided students with opportunity to try new and interesting sports. • Showed students different ways of keeping fit and healthy. • Provided a fun and meaningful learning opportunity to different year groups.
Healthy Schools Week Fencing workshop	£60	<ul style="list-style-type: none"> • Provided students with opportunity to try new and interesting sports. • Showed students different ways of keeping fit and healthy. • Provided a fun and meaningful learning opportunity to different year groups.
Healthy Schools week Soft play	£292	<ul style="list-style-type: none"> • Students in Nursery and Reception spent separate afternoons at Soft Play. • Provided them with an alternative way of exercising and having fun.
Healthy Schools Week Prizes	£20	<ul style="list-style-type: none"> • Healthy recipe competition ran for Healthy Schools Week (HSW). • Students submitted recipe for judging, several from each class picked and provided with prizes for their achievement.
Healthy Schools Week	PE teacher and coach led	<ul style="list-style-type: none"> • A variety of sports including boxing, rhythmic gymnastics, kurling, and badminton were carried out in lessons that week. • A teacher (qualified dance teacher) took workshops with Year 6. • Our qualified yoga teacher led workshops for KS2.
Gymnastics Lessons	£260	<ul style="list-style-type: none"> • Qualified gymnastics coach ran weekly lunch time sessions for our competition team.

		<ul style="list-style-type: none"> • Both KS2 teams represent Lewisham at London Youth Games. • Teams trained leading up to Youth Games to ensure they were fully prepared for competition.
--	--	---

4) Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs.

At Tidemill Academy, we run a wide array of clubs for children after school and at lunchtime. This year we engaged a high proportion of our children in after-school clubs.

Statistics

EYFS and KS1 – 46% of children took part in at least one sports based club.

KS2 – 68% of children took part in at least one sports club.

Overall – 60% of all our children took part in at least one sports club.

We ran Change 4 Life (C4L) club for the spring and summer terms – targeting children who had never been to a sports club at Tidemill before. We successfully involved eleven new children in a club and they went to the C4L festival arranged through ALPS School Sports.

PE teacher ran a successful club in Spring term – This Girl Can – inviting fourteen girls that had never been to a sports club and maybe lacked confidence in PE.

5) Other

Basketball Finals at The O2	£42	<ul style="list-style-type: none"> • PE teacher applied for tickets to basketball. Gave out 40 tickets to children who had participated in basketball. They went to the event with their family.
Sports leaders badges	£18	<ul style="list-style-type: none"> • Recruited 6 new sports leaders through a written application process. • Children were presented with badges in assembly. • Children very involved in Healthy Schools Week. • Meetings held regularly where children shared feedback from their classes, gave ideas and allocated roles and responsibilities around the school.
School PE shirts	£236	<ul style="list-style-type: none"> • New school shirts purchased for external competitions. • Students easily recognisable in the community. • Uniform worn whilst participating in competitions so that Tidemill stands out.

2016/2017

In this academic year, we are planning to continue with the successful areas from the previous year and develop certain aspects even further. Therefore the sports premium fund will be spent on the following areas:-

- Association of Lewisham Primary School Sport (ALPS membership) – we are aiming to increase the amount of events that we attend.
- Lewisham Primary Football League registration, this year we will have three teams- 3/4 team, 5/6 boys and for the first time a 5/6 girls.
- Travel to sporting events.

- Purchase tri golf kit to engage students for school games competition
- Training opportunities for PE teacher and sports coach – gymnastics and football training courses.
- Joining a PE Association to gain further subject knowledge.
- Providing Tidemill teams with valuable outside experiences to improve their knowledge of the sport e.g. tickets to a sports event.
- Continue with our extensive range of after school clubs in order to inspire and engage children in sporting activity.

Rachael Smith (PE leader)
